Spiritual Life:

Leading and teaching children is a serious task, no matter their age. Please take a few minutes to answer these questions about your spiritual life as a potential influence on the spiritual and moral development of the children and teens of First Baptist Church.

Please use this space to explain the basics of the Gospel -- what must someone understand and believe to accept Christ?

Briefly explain your pattern for spiritual growth.

Please write out your salvation testimony and how you have grown in Christ in the time since then. If you are already a member or have submitted an application for church membership you do not need to do this.

Applicant's Statement:

The information contained in this application is correct to the best of my knowledge. I authorize any references or churches listed in this application to give you any information (including opinions) that they may have regarding my characters and fitness for children or youth ministry. I also grant permission for a criminal background check to be performed and understand that the results may disqualify me from service in children's and youth ministry at First Baptist Church.

Should my application be accepted, I agree to be bound by the constitution, covenant, and protection policies of First Baptist Church. I also commit to regularly attend the services and activities of First Baptist Church as my testimony to my students.

I understand that in order to be approved as a Level 1 worker, I must join First Baptist Church.
