Dear First Baptist Church,

Thank you so much for your generous support so that I can return quickly to Niger, West Africa, and continue to serve the Lord there. I am so thankful and excited to see your passion for missions in your church and your prayer and financial support for missionaries. I am excited to tell you that with your support, I am now at 100% of my monthly support and will be flying out May 13.

Thank you again for your partnership in ministry both financially and in prayer so that Christ would be known in Niger.

Blessings, Katherine Shafer Revelation 7:9-10

THOSE WITH ON-GOING HEALTH NEEDS:

LANCE ASHBAUGH

BRANDON CORWIN

PAM DYKMAN (Joy's daughter-in-law) is still unable to have surgery since the tumor has not shrunk much, is on a main artery and would be a very long and risky surgery. The plan is to have regular chemo last week then take a week off and then the following week she will start radiation for 6 weeks 5 days a week combined with a lower dose of chemo meds once a week. After this they will do another CT scan to see if the tumor has shrunk and do surgery to remove it if they feel comfortable.
