Our mobile church directory app (Universal Church Directory) was updated last weekend. If you are experiencing difficulties with it, please see the instructions below:

- ◆ **iPhone** users will receive an update available notification on their iPhone and will be able to update it automatically.
- ◆ **Android or Microsoft Phones** will need to uninstall the app and then reinstall the updated version from Google Play.

Both will need to re-enter their username/unique identifier codes.

Your unique identifier code was e-mailed to you in a separate email. If you didn't receive it or have any questions, please call the church office.
