Prayer Requests

JOHN BEECHAM is back home and feeling great after a pancreatitis diagnosis. He wants to thank his FBC family for their prayers during his recent hospitalization!

DIANA BEEBE had surgery last Wednesday.

PAT BON had surgery last Wednesday.

PAM DYKMAN's (Joy's daughter-in-law) CT scan showed no change and no new spots that they were able to see. The higher readings could possibly be that her body is resisting the chemo. A blood sample was taken to see if there is some mutated cell to better show them something to go by. While they wait the 4 - 6 weeks to get results she will have time to build up her strength and maybe put on some weight. Also in the mean time they may hear from GR on getting plugged into a clinical trial.

STAN GRISWOLD had knee replacement surgery last week. He would appreciate prayers for healing.

FLORENCE KAPER (Dr. Steve's aunt) has been diagnosed with stage 4 pancreatic cancer. Please pray for wisdom as treatment options are considered. Also, she is a believer but there are other members of her family who are not. Pray for hearts to be softened to the gospel.

LISA (Barb Gearhart's niece) continues with chemo.

HAZEL MOFFATTE is home again and continuing to recover.

BOB SUMMERFIELD is at the Newaygo Medical Care Facility for rehabilitation. He is scheduled to be released this afternoon!
