JOHN BEECHAM was informed last week that his cancer is back, and it is now labeled as stage 4 prostate cancer. He will be having more tests in the next few weeks to determine treatment.

CAROLYN BROWN has had a bad cold that has turned into bronchitis...which is now affecting her asthma. Unfortunately, with all the coughing and nebulizer treatments, she is not getting any rest.

PAM DYKMAN (Joy Dykman's daughter-in-law) was admitted to the Palliative Care Unit at Spectrum but was hoping to be released yesterday. Cancer was found in the fluid removed from her lungs and also from the biopsy in her ovary. Please continue to pray for Kurt, Pam, and their family.

JOANNE GRASLEY continues to recover well from her open heart surgery. She amazed the doctors and nurses by being able to take a walk "around the block" much faster than they would have thought. She anticipated being discharged last Friday or Saturday.

FLORENCE KARPER (Dr. Steve's aunt) has been diagnosed with stage 4 pancreatic cancer and has started chemo. Also, she is a believer but there are other members of her family who are not. Pray for hearts to be softened to the gospel.

MARGE MEAD (Jim Kohns' daughter) was diagnosed with breast cancer. She has begun strong doses of chemo for an 8 week period and then doctors will determine if surgery or radiation is needed.

JOHN RYNBERG's visitation is this Saturday, January 18, from 11 a.m. -1 p.m. at Crandell's with the funeral to follow at 1 p.m. Please keep praying for Dee.

PAT SHERMAN had a biopsy done. Pray for healing and peace as she recovers from that procedure and waits for test results.
