Dear First Baptist Church,

I want to thank everyone for all the support, prayers and cards I have received in this difficult time. They have meant a lot. I also want to thank Joy Dykman, Julie Norris and Geraldine Dykman for the food they made for my family. It all was very good and much appreciated. Thanks to everyone who prepared and set up for the luncheon after the funeral. May God Bless, Dee Rynberg

Do you like food? Then you are qualified to work in the FBC kitchen! If you'd be willing to help set up tables and chairs, prepare food, serve food, and/or clean up for special events, please let Wendy Witter or the office know. We'd love to add you to our e-mail list so we can let you know when help is needed.

Join Insight Pregnancy Services in changing the lives of fathers and mothers in our community. Pick up a baby bottle today in the foyer, start filling it up, and return it by Sunday, February 16. The goal is \$20,000.

CHURCH MINISTRIES CONFERENCE

JOHN BEECHAM had a bone scan and CT scan in Ann Arbor last Thursday. He has an appointment with the oncologist on February 4.

CAROLYN BROWN is feeling better and on the mend.

MARGARET CRABB is recovering from out-patient surgery last Thursday.

PAM DYKMAN (Joy Dykman's daughter-in-law) - Due to Pam's declining health, doctors feel that it's not safe to start the clinical trial. They suggested focusing on comfort and possibly get in touch with hospice for help. The family needs God's comfort and prayers as they adjust to this news.

GAYLE HENRY had a mole removed from her arm and found out it is melanoma. After seeing the oncologist last week, she was told the melanoma was superficial, and thankfully caught in time. She will be having further surgery on February 27th at Blodgett Hospital to remove more of the area where the mole was previously removed.

PAT SHERMAN had 2 kidney stents placed last Monday. Please pray it works so she doesn't have to go on dialysis.

SHAWN VANDER MOLEN, (Kay Johnson's oldest daughter) has been diagnosed with stage 3 uterine cancer. She had surgery last Tuesday.
