The plan is to set everything out for a week or two so things can be claimed. Anything that is left will then be made available to anyone who could use it. We would love to have as much help as possible—show up for as long as you are able!

Dear First Baptist Baptist Church,

We so fondly remember your church family and praise your generous and loving spirit. Thank you for giving year after year to continue God's work here in Brazil. Also, thank you for loving our family and sending such a wonderful Christmas gift each year.

We used the gift for a family trip back to Bauru where we served for 17 years planting our first churches. While Robert and Moriah (our two oldest children) were here for their last college Christmas in Brazil, it was extra special for all six of us to travel and spend four days back "home" in southeast Brazil. We visited and Tim preached at the church we planted and many families had us in their homes for meals. These moments were precious as we celebrated so many years of ministry and so much that God did for His glory. The trip was made possible by your Christmas gifts. Thank you so much!

May God richly bless and encourage you as you have us!!
Much love, the Blazers

Oooh Oooh! Me! I'll do it! Pick me!

Do you like food? Then you are qualified to work in the FBC kitchen! If you'd be willing to help set up tables and chairs, prepare food, serve food, and/or clean up for special events, please let Wendy Witter or the office know. We'd love to add you to our e-mail list so we can let you know when help is needed.

Join Insight Pregnancy Services in changing the lives of fathers and mothers in our community. Pick up a baby bottle today in the foyer, start filling it up, and return it by Sunday, February 16. The goal is \$20,000.

JOHN BEECHAM has an appointment with the oncologist this Tuesday, February 4.

JIM BROWN (Jackie's husband) has been having dizziness for approximately five weeks. The doctors have given him antibiotics, steroids, etc., to try and minimize the dizziness and nothing has worked. He saw a specialist and a physical therapist last week. Please pray that the maneuver the PT did will give him complete healing from his symptoms.

DANIEL CRABB was sent to the ER from Urgent Care last Thursday, and it has been determined that he has pneumonia. He is back home and requests prayer for a quick recovery.

PAM DYKMAN (Joy Dykman's daughter-in-law) is stable at this time. They are holding off on hospice for now.

GAYLE HENRY will be having further surgery for superficial melanoma on February 27 at Blodgett Hospital. More of the area will be removed where the original mole previously was.

PAT SHERMAN had 2 kidney stents placed. Please pray it works so she can avoid dialysis.

SHAWN VANDER MOLEN, (Kay Johnson's oldest daughter) has been diagnosed with stage 3 uterine cancer.

KRISTYN VANDERWALL will be spending this Monday - Friday in Grand Rapids for intensive treatment/therapy.
