Dear Friends at FBC,
Thank you so much for your Christmas card and the very generous gift. I truly enjoy reading your names and remembering your faces! I look forward to seeing you again in what I hope to be a relatively short time. I am tentatively planning on furlough in March but actual dates are complicated by a visa that is due to expire on the day of our Grand Celebration of the new hospital.

We are only 7 days away from beginning outpatient services in the new facility. It seems like there is yet so much to do! But these are exciting times! Please pray that God would get much glory through all of this. Thank you so much for your faithful prayers and encouragement. And thank you for the special Christmas gift!

In His Service, Glenda Akershoek

Plans are underway to take a group from FBC to the Lake Ann Ladies Retreat! **MARK YOUR CALENDAR** for Friday, September 18 - Sunday, September 20. For more information, please contact Cindy Geeting.

SHERWOOD BREUKER and extended family as they grieve the passing of Barb.

JIM BROWN (Jackie) was unable to have the MRI, however, no evidence of any cancer was found in his blood work. The doctor believes the elevation of his white blood cells is due to his diabetes and inhaler that he uses. He is continuing to go to physical therapy and his vertigo is going away.

PAM DYKMAN (Joy Dykman's daughter-in-law) - cancer cells have now been found in the liver and the abdominal area. She has decided to do another round of chemo. Pray for Kurt, Pam and the family that they will feel God's comfort and closeness.

JOANNE and PAUL GRASLEY - Joanne had been doing quite well after her heart procedure, but has recently been having A-fib again. She is quite weak and very discouraged. The doctors are now trying to adjust her medications. Paul is also struggling at this time with leg pain. He had an appointment last Wednesday.

FLORENCE KARPER (Dr. Steve's aunt) is thankful that recent scans showed no new growth to her cancer. She has chemo every other week and is tolerating it reasonably well.

GAYLE HENRY will be having further surgery for superficial melanoma this Thursday, February 27, at Blodgett Hospital. More of the area will be removed where the original mole previously was.

MILTON AND RON (Diana Beebe's brothers) are both in very bad health.

MARGE MEAD (Jim Kohns' daughter) had her last chemo treatment in the first series and will begin another series for twelve weeks (once per week). Please pray that she will remain healthy and that the chemo will shrink the tumor.

SHAWN VANDER MOLEN, (Kay Johnson's oldest daughter) - surgery went well, and the surgeon feels he got all the cancer. Praise the Lord that no radiation or chemo is needed!

KRISTYN VANDERWALL was in Grand Rapids last week for additional treatment. They are working on reducing pain and restoring her brain pathways. Please continue to pray for healing.
