FBC ONLINE DIRECTORY

If you are on FBC's email list, you should have received instructions for the FBC Online Directory. The previous directory (UCD app) can be deleted.

Not only can you view the directory, but you can also make changes to your family's profile and even add your own pictures! Please check your family's information for accuracy. You can also call the office to make changes.

Printed copies will also be available upon request. If you have any questions, please email the church office.

FBC has been sending bandages to mission hospitals for several years. Ruth Wingelaar cuts and sews them but needs helping rolling them. Please let Wendy Witter know if you are willing to help.

Building to Serve Construction Corner

Due to the Governor's order, the Asbestos Abatement will not take place until the order is lifted. We will seek to go forward with bids as soon as the Blueprints come back from review. As soon as the Committee is able to get back together we will be working on carpet and paint colors.

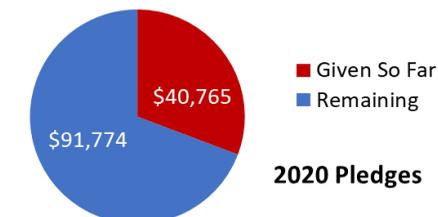

Again, thank you for all your help last Saturday, it makes us ready to go when the Governor's order is lifted. It will just cause a delay, but God is good and has it all under control.

Be Strong and Courageous!

If you have any questions, please contact Jim Boerema.
