BRIDAL SHOWER UPDATE

Watch for more details on Amy Knuver's bridal shower. We are now looking at some dates in June, but it is still TBD.

Hand2Hand Update: We are still handing out bags!! It has gotten a lot more tricky, like everything else right now, but we are moving forward with smiles on our faces. Last Thursday we delivered 93 bags on buses and will continue to do so each Thursday. Please pray that this process smooths out and those in need are reached! We will be doing this every week until at LEAST June. We are also doing a pick-up service at Inspire Church (formerly Wesleyan) on Wednesdays from 11 a.m.-1 p.m. We have been given an ok by Hand2Hand headquarters to give to anyone who comes and asks for food. 49 bags were picked up this week.

If you would like to donate food, you can drop it off to my house or to Inspire Church on Wednesdays from 11 a.m.-1 p.m. We have also had many amazing cash/check donations which has been such a huge blessing!! If anyone has any questions about donations, please email/text/call me!!!

Thank you all so much for your support of H2H! Your prayers are truly appreciated! Shelley Walker • home: (231) 924-7954, cell: (231) 414-1560 • mwalker@fremont.net

Watch for announcements on Facebooks for our next Zoom chat or different challenges.

If you find unused sheets while doing your "spring cleaning," we can use them to make bandages for mission hospitals! Either save them and bring them in when we can meet again or drop them off to Chris Corwin or Wendy Witter.

Help is also needed to roll them into bandages. Please let Wendy Witter know if you are willing to help.

Building to Serve Construction Corner

Due to the Governor's order, the Asbestos Abatement will not take place until the order is lifted. We will seek to go forward with bids as soon as the Blueprints come back from review. As soon as the Committee is able to get back together we will be working on carpet and paint colors.

Be Strong and Courageous!

If you have any questions, please contact Jim Boerema.

2020 Pledges

FAMILY of DIANA BEEBE as they grieve the loss of Diana's brother and nephew. She appreciates the prayer support of her church family.

BODY LIFE - remember that even though we aren't meeting, WE are the church.

JIM AND SHARON BOGER (John Jones' extended family in North Carolina) have both tested positive for COVID-19.

CAROLYN BROWN's plugged ear is about the same. Carolyn will continue the medication for another week, and then will have a video appointment with the doctor.

MARIANA CONTRERAS de HEREDIA (Carolina Heredia-Contreras' Mom) Please pray specifically that while she is waiting for surgery, her cancer will be contained and not spread any further.

PAM DYKMAN (Joy Dykman's daughter-in-law) has pneumonia and is still in the hospital. The second COVID-19 test also came back negative. Please also pray for the family as no one can be with Pam.

IRENE EKKEL (widow of Jake) went home to be with the Lord last on March 28. We rejoice that Irene is with her Savior where she longed to be, and we grieve with her family who has been bereaved.

FBC has a number of folks who work in the healthcare field or are first responders. Please pray for wisdom, endurance and safety for them during this extraordinary time.

GOVERNMENT and HEALTH OFFICIALS as they wrestle with an appropriate response to COVID-19.

NAN MOHR (Dave Gardenour's co-worker), and also Nan's sister, **PAM PARIS**. Nan has been sick for over a week, but thankfully no COVID-19 symptoms. Pam has been diagnosed with ovarian cancer. She is presently scheduled for surgery on April 10, and will not know the extent of the cancer until then, or if treatments will be necessary. And...due to the world situation, Pam will only be dropped off at the hospital door and no family will be able to be with her during surgery and lengthy recovery.

TIM & MARGIE NUMMERDOR and family as they grieve the loss of Tim's Aunt Mary Namminga.

MICAH WEESNER (friend of Corwins) had his final treatment dose last Thursday!!

GWEN ZENK is on penicillin to try and get rid of the infection that keeps showing up on her bloodwork.
