## BRIDAL SHOWER UPDATE

Watch for more details on Amy Knuver's bridal shower. We are now looking at some dates in June, but it is still TBD.

On Wednesday a number of us from FBC meet for a virtual prayer meeting using Zoom. If you would like to receive an invitation to future virtual prayer meetings, please email the office so you can be added to the invitation list.

**Awana** The rest of the Awana year isn't looking like a normal end to the year. We have discussed a few options for kids to pass sections; however, in order to avoid confusion and keep everyone on the same page, we are going to put everything on hold at this point until the Fall or whenever we can get everyone back together.

Congratulations to Dave & Katie Stitt on the birth of Graham LaVern on April 4. Graham weighed 7 lbs., 8 ozs. and was 19 1/2" long. He joins big sister Raygen and big brother Tucker.

*Thank You!* Dear Friends at First Baptist Church, A belated thank you very much for the beautiful Christmas card and the gift to "enjoy a meal on us."

We were delighted to hear how God has blessed your church with the lady who trusted Christ as a result from your MOPS ministry and for the new believes from AWANA as well! Praise the Lord!

Bob thoroughly enjoyed teaching a Sunday School class in Brazil. We went to escape Michigan's cold winter and arrived back on March 23. Still praying for Alanis' salvation and now for newer friends; Leonardo & Daise and for Inez, who came to the S.S. class.

Thanks again for your prayers, Bob & Lois Walsh

Watch for announcements on Facebooks for our next Zoom chat or different challenges.

While you are doing your spring cleaning, please save:

1. Items for the AWANA buck room
2. Bed sheets—any size

You can either save the bed sheets or drop them off to Chris Corwin or Wendy Witter.

Help is also still needed to roll bandages for the mission hospitals. Please let Wendy know if you can do it.

## Building to Serve Construction Corner

Praise the Lord that He continues to move His people to give. Just last week **more than \$25,000** came in for the project!! We still have **every intention** of moving forward with construction, however, we are at a standstill presently. Specific to the Governor's Orders, the **Abatement process, Plan Review and Bid process** have all come to a halt. As soon as those orders are lifted, work will resume as planned.

If you have any questions, please contact Jim Boerema.

**Giving To Date**  
\$286,258

**BODY LIFE** - remember that even though we aren't meeting, WE are the church.

**JIM AND SHARON BOGER** (John Jones' extended family in North Carolina) have both tested positive for COVID-19.

**CAROLYN BROWN's** ear drum has now ruptured due to all the pressure. Specifically pray that the antibiotic she is taking will keep her from infection. Nothing more can be done until after the COVID-19 virus is over.

**MARIANA CONTRERAS de HEREDIA** (Carolina Heredia-Contreras' Mom) Please pray specifically that while she is waiting for surgery, her cancer will be contained and not spread any further.

**PAM DYKMAN** (Joy Dykman's daughter-in-law) is not doing well, and it is looks like the Lord may be calling her home soon. Please also pray for Kurt and their children.

**FBC** has a number of folks who work in the healthcare field or are first responders. Please pray for wisdom, endurance and safety for them during this extraordinary time.

**GOVERNMENT** and **HEALTH OFFICIALS** as they wrestle with an appropriate response to COVID-19.

**NAN MOHR** (Dave Gardenour's co-worker) is feeling a little better every day. Nan's sister, **PAM PARIS**, who was diagnosed with ovarian cancer, had surgery last Friday. They both appreciate prayers from the FBC family.

**JASON VANDENTOORN** (son-in-law to Scott and Gayle Henry) had back surgery last Thursday, and it went great! Thank you for praying for Jason and continued prayers are appreciated for his recovery...and for his wife Lindsay as she will be the "nurse."

**KRISTYN VANDERWALL** had another week of treatment in GR last week. Please continue to pray for complete healing.

**MICAH WEESNER** (friend of Corwins) has had his final treatment dose for leukemia and will now be monitored every few months.

**GWEN ZENK** is on penicillin to try and get rid of the infection that keeps showing up on her bloodwork.
