Building to Serve Construction Corner

This week the parking lot entrance / exit by the office and the new entrance / exit have been prepared and finished with concrete. New concrete was poured in front of the van garage. Sand has been stockpiled for back filling the walls. Some of the forms have been set for the footings. Plumbing in the three story has been completed, inspected, and approved. Electric is still being worked on in that area.

STEVE ARCELLO is home! A feeding tube was inserted, and he will see his doctor again in a month. Please continue to pray for Steve and Lisa.

MARIANA CONTRERAS de HEREDIA (Carolina Heredia-Contreras' Mom) had her third round of chemo last week. Please pray for strength, no allergic reaction to treatments, absence of side effects, and that Mariana can continue honoring God's name in these difficult times.

JULI DYKMAN met with the Radiation Oncology Department for a 'Simulation' appointment. They will now develop her treatment plan with the first radiation scheduled for Wednesday, August 26. Radiation will be every day - except Saturday and Sunday - along with Chemo in pill form twice a day. There will be 28 sessions of radiation treatment. Juli is rejoicing in the 'break' from chemo which has allowed her to regain her strength, appetite and be pain free. She is "learning patience and turning over ALL CONTROL to God - not very easy for me, I will admit!"

ERIN GOORHOUSE MAST (daughter of Jim and Linda Goorhouse) was diagnosed last week with COVID and is now quarantining at her home. Erin still isn't feeling well.

CHAN AND ROSE MACLEAN have an unspoken request for the church family to pray about.

MARGIE NUMMERDOR saw the orthopedic specialist last Wednesday and no surgery is needed! PTL!! Please continue to pray for healing.

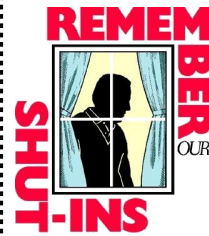

EMILY STRAUTMANN (Dr. Steve & Wendy's daughter) will go into the hospital tomorrow for the induced birth of her son.

BECKY WYANT (Gordon and Cindy's daughter) received good and disappointing news after her third brain surgery last week. They were able to get the whole tumor, but it was substantially larger than they expected and it split the facial nerve, so there will be some effects due to that damage. Please continue to pray for Becky—for healing of her facial nerve and healing of her body. This will be a longer recovery than expected.
