STEVE ARCELLO's stent procedure has been moved up to this Wednesday, August 26. Steve & Lisa would appreciate prayers that the doctor will be able to get the stent placed successfully, and that it will not cause further pancreatitis issues.

MARIANA CONTRERAS de HEREDIA (Carolina Heredia-Contreras' Mom) continues with her chemo treatment. Thank you for your continued prayers!

JULI DYKMAN is scheduled to begin radiation treatments this Wednesday, August 26. She will also be taking chemo medication twice a day every day of radiation. The chemo is the same one she was receiving in liquid form via a port. Unfortunately, it is the chemo drug that caused colitis and abdominal pain. Please pray that the side effects won't be as bad as they were previously. The good news is that she is feeling very well and gaining strength during this break in treatment. Juli is thankful to everyone for the prayers and kind thoughts.

CHAN AND ROSE MACLEAN have an unspoken request for the church family to pray about.
