Amazing Grace (My
Chains are Gone)

As we have focused on missions, it is our practice to receive a "love offering" when missionaries that we support visit with us during this time. This year, that will include the Blazers and the Teachouts. The deacons have also authorized the opening of a special fund for The Springs, where Dan Kohns is the director. The camp is facing a significant income shortfall this year due to COVID-19. To participate, simply earmark your gift/envelope for "Blazers," "Teachouts," or "The Springs." Thank you for your support of missions.

Building to Serve Construction Corner

There is a Work Day this Saturday, November 7, from 8 a.m. - noon. Please sign up as it helps in scheduling the various tasks to be accomplished for that day. The drywallers are finished with the 3-story building. Dan's Excavating is finished with graveling the parking lot and also with the fire suppression line going into the building. Blaze Fire Protection finished the 3rd floor and is working on the 2nd floor. Patron Construction continues to work on getting the concrete poured for sidewalks and curbs. This week the steel should be here and will be erected. Toward the end of the week, the parking lot will be paved.

If you have any questions, please contact Jim Boerema.
