CONGRATULATIONS to JIM KOHNS!! His 25th great-grandchild arrived on October 30 in North Carolina, ELEANORE GRACE KOHNS (named after great-grandma, Eleanore). Dan and Martha Kohns (from The Springs Ministries) are the proud grandparents and Aaron & Brittany Kohns are the proud parents.

Building to Serve Construction Corner

The next Work Day is Saturday, November 21, from 8 a.m. - noon. Please sign up as it helps in scheduling the various tasks to be accomplished for that day.

Thank you to all the volunteers who have been laboring to help get the project done. Blaze Fire Protection will be working in the activity center this week. Patron Construction finished the sidewalks and poured the footings for the canopy. The carpet installers will be here for the 2nd floor on Monday. Due to COVID the fabricating of the steel and the contractor erecting it have been delayed. Please pray that they are able to complete the work this week. Lord willing toward the end of the week, the parking lot will be paved.

If you have any questions, please contact Jim Boerema.

DANIEL and JANE BOERMAN would like continued prayer for wisdom and in following the Lord's guidance through these times.

ANN CHURCHLEY is recovering well from her appendectomy. She has only needed over-the-counter pain meds during recovery, and now hardly any pain med is needed. She's not able to eat much yet but is starting to get more mobile and getting better every day. Many thanks to FBC members for support and prayers.

COLTON (13 year old nephew of Jackie Tellkamp) is doing very well. The tube in his stomach, which helped remove infection, was taken out last Tuesday. For the next two weeks, he will be prepped for an appendectomy.

JULI DYKMAN's CT scan results have been sent to her surgeon, and she has an appointment with him on Monday, November 16. At that time she will be advised of a surgery date. In the meantime please pray for health regarding Juli's pancreas and gallbladder. Both are inflamed and "not happy" due to the chemoradiation treatment. Hopefully neither one will flare up and cause health issues before surgery can be completed. Juli is thankful for the continued prayers and support.

GUATEMALA - Hurricane Eta is wrecking havoc on our friends in Guatemala. The Chicoy School, which is where FBC's youth group did VBS (not their sponsored classroom), had its roof ripped off from the high winds. The streets are flooded and resemble rivers. There was just a landslide in Tactic this afternoon, which is where the Impact Ministry compound is located. The main road is now closed off until it is cleaned up. The compound itself is underwater near the entrance. Most living quarters are safe for now. Please pray that the storm will pass and clean up is swift.

TIM HEPWORTH was scheduled to see another cardiac surgeon last Friday, Nov. 6. He is hoping that heart surgery can be scheduled after Thanksgiving.

DAVE MERCER is scheduled for open heart surgery on December 3.
