Building to Serve Construction Corner

Plan to join us this Saturday, Nov. 21, from 8 a.m. - noon. Please sign up as it helps in scheduling the various tasks to be accomplished for that day. Blaze Fire Protection completed the 3-story educational building and will be working in the activity center again this week. Patron Construction should finish up with the curbs this week. All the carpet and tile has been installed for the 2nd floor. Due to COVID the fabricating of the steel and the contractor erecting it have been delayed. We are praying that the steel will start going up on the 23rd. The base paving of the parking lot is completed and will be topped next spring.

If you have any questions, please contact Jim Boerema.

ANDY BROWN (son of Jim and Carolyn Brown) and his roommate are positive with COVID.

JIM BISHOP, who is the assistant pastor of Kim and Joe Kuptz's home church (daughter/son-in-law of Jim and Carolyn Brown), has been diagnosed with COVID and was moved into ICU yesterday.

JANE BOERMAN is scheduled for surgery this Tuesday, November 17. Dan's father, Ken Boerman, passed away last Saturday and is now present with his Lord and Savior. The funeral was last Thursday.

JIM BROWN (husband to Jackie) has been pretty sick for about a month with fluid on his lungs. His doctor has just changed his water pill, so please specifically pray that will keep working and bring relief.

COLTON (13 year old nephew of Jackie Tellkamp) is doing very well. He will be having an appendectomy in the near future.

JULI DYKMAN has an appointment with her surgeon tomorrow, November 16, and will be advised of a surgery date. Please also continue to pray that her inflamed pancreas and gallbladder calm down.

GUATEMALA - Hurricane Eta wreaked havoc on our friends in Guatemala. Please pray that clean up is swift.

TIM HEPWORTH is scheduled for heart surgery on November 30.

DAN MACK (Mary Jane's son) has COVID and would appreciate prayer.

MARY JANE MACK bumped her head pretty hard and has quite a "goose egg." She is also having sciatic nerve issues and is going to Sparta for treatments.

DAVE MERCER is scheduled for open heart surgery on December 4.

JESSICA RUSSELL (Bea Abbott's granddaughter) has been diagnosed with a rare and very aggressive uterine cancer. She is to start chemo immediately. Please pray for healing, and that through it, it will bring her parents and sisters into a right relationship with God. She is married and has 3 young children.

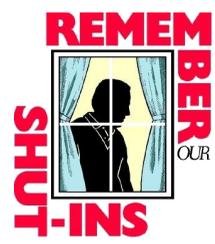

SARAH (6 year old daughter of Joy Dykman's niece) had a major setback. She is back in Texas Children's Hospital and is very critical. Prayer needs: strength for her weak little body, increased BP, wisdom for the medical team to determine what's going on, and strength for her family. She's a complicated medical case and COVID is making things so much worse.

BETTY ZENK's (Gwen's Mom) heart is now back in normal rhythm, and she is improving. Betty saw the doctor on Friday to see if anything else will need to be done.
