ANDY BROWN (son of Jim and Carolyn Brown) and his roommate are positive with COVID.

JIM BISHOP, who is the assistant pastor of Kim and Joe Kuptz's home church (daughter/son-in-law of Jim and Carolyn Brown), has been diagnosed with COVID and was moved into ICU last week.

JANE BOERMAN had surgery last Tuesday, and it went well.

JIM BROWN (husband to Jackie) was at Gerber Hospital emergency room on Thursday with A-fib. Thankfully for the first time, meds worked for putting his heart back into normal rhythm. He will be in contact with his cardiologist to discuss changes in his medications.

JULI DYKMAN is scheduled for surgery on Tuesday, December 1. She will be off work for six weeks. God again answered prayers—the surgery should not cause pancreatitis. Juli is very confident in God's path and care for her and is thankful for continued prayers.

TIM HEPWORTH is scheduled for heart surgery on November 30.

DAN MACK (Mary Jane's son) has COVID.

MARY JANE MACK bumped her head pretty hard and has quite a "goose egg." She is also having sciatic nerve issues and is going to Sparta for treatments.

DAVE MERCER is scheduled for open heart surgery on December 4.

JESSICA RUSSELL (Bea Abbott's granddaughter) has been diagnosed with a rare and very aggressive uterine cancer. She is to start chemo immediately. Please pray for healing, and that through it, it will bring her parents and sisters into a right relationship with God. She is married and has 3 young children.

SARAH (6 year old daughter of Joy Dykman's niece) is now home but continues to struggle with a fever. Her Grandma (Caryn Johnson) says, "Thank you all. From the bottom of our hearts. God's people can bring miracles from heaven when they storm heaven's gates with prayers!"

BETTY ZENK's (Gwen's Mom) went into A-fib again, and after consulting with the doctors, she is increasing her medications. She will follow-up with a pacemaker appointment to see if anything else needs to be done or changed.
