Wendy and I would like to express our deep appreciation for each and every expression of kindness shown to us this Christmas. Individuals from FBC remembered us with cards and gifts, and the church family gave us a very generous cash gift, for which we are grateful. We are looking forward to the Lord's blessing and direction for our Church Family as we serve Him together, until He COMES or CALLS! –Dr. Steve

For the month of January, FBC is responsible to pack **Hand2Hand** backpacks. If you can help, please meet at Inspire Church (918 Garden Ave., Fremont) each Tuesday at 6:30 p.m. It usually only takes about 1/2 hour. Please contact Shelley Walker if you have any questions.

Dear Friends at FBC, Fremont,

I just want to express my sincere thanks to you for your Christmas gift which you sent to AIMI office. This is very kind and thoughtful of you, and I appreciate it so very much. I also enjoyed the Christmas card and the letter from Dr. Steve. You all mean so very much to me. Thank you from the bottom of my heart.

Our church has been hit hard recently with the COVID 19 virus. Two of our pastors have (or still have) it. We were happy to see that Pastor Treadway was back in the pulpit on Sunday but is still weak from it. Several of our church members have been tested positive and are either at home recovering or in hospital, some serious. Two have gone to be with Jesus. Therefore, our church has been closed to in-church services and all activities until further notice. We would appreciate your prayers. So far, I am keeping well. I have not been with any of those people for a few weeks and am being careful, trusting God to keep me well.

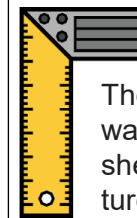

I pray for you that God will keep His arms around you daily and keep you well and close to Himself. Have a blessed Christmas and New Year. Looking forward to what God has for us in 2021.

With my love and prayers, Lois Carmichael

Dear Friends at First Baptist Church,

Thank you for the beautiful Christmas card and for the gift to eat out. We are doing pretty well. However, Bob's asthma is getting worse, and I am slowing way down with Parkinson's, but God is good and gracious to us.

Have a blessed Christmas! Bob and Lois Walsh

Prayer Requests

CAROLYN BROWN is doing well but still has restrictions. She has limited movement and needs to keep her head upright. Carolyn has an appointment with her surgeon on January 4. PRAISE—grandson Jacob had dental surgery yesterday and is doing well!

JIM GEARHEART, Jenn Slovinski's dad and Barb Gearhart's husband, had a stent placed last Tuesday and was sent home! No open heart surgery was needed! His family is thankful that no damage was done to his heart after having a heart attack. Thank you for your prayers.

MIKE JOHNSON (Joy Dykman's brother) and his wife CARYN both have COVID. Caryn is doing well, but Mike is still in the hospital with double pneumonia—he also has severe asthma. He seems to be holding his own now, which they are thankful for.

CHAN MACLEAN is home from the hospital but is still dealing with the impact of COVID. He appreciates the prayer of his church family.

DAWN MAREK is scheduled for her second cataract surgery on January 13. She misses everyone and is grateful for the prayers.

PAT PERRY is home recovering from open heart surgery and getting stronger each day. He is thankful for the prayers from his church family. Please continue to pray for Pat and Billie's son **TERRY BAILEY**. He was released from the hospital, however, he is not well and has been diagnosed with hepatitis liver. At this point, Terry will have weekly procedures done for drainage. Pat and Billie are requesting specific prayer for Terry's relationship with the Lord and for his children.

DON WALTON (Diana Beebe's brother) has COVID.

RUTH WINGELAAR remains at the rehab facility to help her gain strength back.

JIM WITTER (Dr. Witter's Dad) is still at the rehab facility to build up his strength. He was tentatively scheduled to be discharged yesterday.
