Marion Hines is turning 100 years old! Her family invites you to come and celebrate her birthday on Saturday, November 23, from 1:00 - 3:00 p.m. at the Sherman Township Hall. Come dine, eat cake, and enjoy the company of this special woman.

DANIEL CRABB still has a partial blockage. His GI doctors agree to Daniel needing surgery. Basically, it's up to the surgeons as to whether he needs surgery now or as to whether he can be transferred to Grand Rapids to have surgery. His blood counts have been up so they are keeping a close eye on this.

PAUL GRASLEY was scheduled for hip replacement last Friday, November 1.

TIM HENRY had an appointment with a medical team last week to discuss Tim's cancer. In addition to the spots they have identified, there is evidence of cancer in his blood and lymph nodes. Immunotherapy has been ruled out as a potential treatment option. Tim will begin hormone therapy treatment to manage the cancer for an undetermined amount of time. Continued prayer for both Tim and Maetta will be appreciated.

CORY JACKSON has completed 2 rounds of immunotherapy. The second round led to Cory developing hyperthyroidism with a myriad of unpleasant symptoms. He was put on a steroid, which will now extend his treatment potentially five weeks longer. They are keeping a close watch on his liver, leg muscles, and heart. The good news is that Cory's heart tests and brain scans have come back good, and his brain is healing really well from the surgery. His dermatology report also came back clean.

KIM KUPTZ (Jim & Carolyn Brown's daughter) had sinus surgery and is in quite a bit of pain. She had a follow-up appointment last Thursday.

The **NATION OF ISRAEL** still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.

ETHAN PRICE (Angie Frye's nephew) was born on October 25 and has been having respiratory issues. He no longer has a breathing tube but is now on cpap. Ethan also has pneumonia. He is improving but could use some prayers along with the family during this tough time.

DASIL REYNOLDS fell, fractured her ankle, and is now in a boot. She was scheduled to see a doctor last week.

ANDREW WRIGHT (Sarah Boerema's brother) was just diagnosed with bladder cancer. He has Christ in his life, but he is struggling with this, after their older brother passed away a year and a half ago of cancer. He will be having surgery November 10th. The family appreciates your prayers for him.
