Dear Friends at FBC Fremont,

Thank you so much for the privilege of being able to share with you on Sunday, the 6th, during your missions month. I am thankful that the Lord provided my visa, coverage for my work responsibilities, and a myriad of other details in order for me to be able to arrive home in time! It was wonderful to spend my first Sunday at home with all of you. Your church family is a tremendous blessing to me.

Thank you also for the extravagant gift of \$250 from your "Missions Closet." I am humbled by your kindness and generosity.

I would appreciate continued prayer over the next months—that I would be a good and faithful steward of the time and resources afforded by having a furlough. I want to be faithful.

With Gratitude and Thanksgiving, Glenda Akershoek

If you are part of FBC and homeschool, we would like to create a support and information email/text group. This year we will be doing impromptu/pop-up field trips and play dates. Please sign up at the Welcome Center. Questions? See Virginia Howes.

DANIEL CRABB is in the hospital with severe abdominal pain. There is a possibility that surgery may be needed.

PAUL GRASLEY is scheduled for hip replacement this Friday, November 1.

TIM HENRY - As a result of the imaging process that Tim had, doctors have been able to identify several spots, including in his spine, pelvis, and possibly his lung. The planned course of treatment includes immuno-therapy, radiation, and possibly chemotherapy. Tim and Maetta have an appointment tomorrow that will hopefully finalize the treatment plan, and set it into motion. Please continue to pray.

JUDY HUBERT's (Carol Lummen's sister) pain has subsided and she's moving a little better. She is still waiting for PT to help with the right movements. Judy wants to thank everyone for the prayers.

CORY JACKSON has completed 2 rounds of immunotherapy. The second round led to Cory developing hyperthyroidism with a myriad of unpleasant symptoms. Last week was a difficult one so his team at Mayo put him on a steroid, which will now extend his treatment potentially five weeks longer. They are keeping a close watch on his liver, leg muscles, and heart. The good news is that Cory's heart tests and brain scans have come back good, and his brain is healing really well from the surgery. His dermatology report also came back clean.

KIM KUPTZ (Jim & Carolyn Brown's daughter) had sinus surgery last Friday.

The **NATION OF ISRAEL** still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.

FLORENCE NEWSTED (Jim's mom) was able to return home, and she is doing much better. She is back on hemodialysis. Thank you for praying for Florence!

DASIL REYNOLDS fell, fractured her ankle, and is now in a boot. Please pray for healing. She is now back home after visiting her sister in the Philippines.

EZRA SHAW needed platelets last week but is feeling back to his normal, happy, energetic self. Tim and MaryBeth ask that we pray for wisdom as they meet with the oncologist and make decisions for Ezra's near future.
