Congratulations to Steve and Patti Summerfield on the arrival of a new granddaughter **CAMERON ELISE** on December 12. She was born to Tyler and Lauren Carlson and weighed 6 pounds, 6 ounces.

Please pick-up your 2025 offering envelopes at the Welcome Center. Some numbers may have changed due to online giving. If you would like to start using envelopes or if you'd like help setting up on-line giving, please see Jim Goorhouse.

The month of November was designated as "**Debt Retirement Month.**" We set a goal of \$50,000 to pay down the principal on the bank loan. You can still take part in this effort as the fund will be open through the end of the year.

DIANA BEEBE was in the hospital with pneumonia last week.

JIM BROWN (husband of Jackie) has met all his goals and has "graduated" from physical therapy! Please continue to pray that he will keep working on his own and keep getting stronger.

BARB CRABB had a pacemaker implanted on December 6. She is already benefiting from having a good consistent minimum heartbeat. Thank you for praying!

DANIEL CRABB is on a liquid/soft food diet between now and his surgery. Surgery is scheduled for this Friday, December 20.

DORIS (Roberta Liebing's neighbor) has suffered several unexplained seizures. Her seizures are under control, but testing at the hospital revealed additional health issues.

CARL GIBBS (Caleb's Dad) is in rehab and is showing improving. His left arm has some movement. Carl is unable to stand, and his eyesight has not improved. The Gibbs family humbly ask for your prayers for all of them.

ROSE GRISWOLD passed away on November 26. Continued prayers for Stan, Nancy and Joe, and the extended family are appreciated.

CORY JACKSON - following surgery and the beginning immunotherapy treatments, Cory has had two follow-up pet scans. Praise the Lord that there is no detectable cancer! His immune system has responded so quickly to the drugs, that the doctors have decided to discontinue the immunotherapy at this time. Cory will still maintain the every three month scan schedule at Mayo.

LUANNA MERCER has been diagnosed with colon cancer and is scheduled for surgery on December 30.

The **NATION OF ISRAEL** still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.

JACOBO REYES (Enrique's Dad) is still dealing with the Bell's Palsy. The medication for this is causing side effects, and he is unsteady on his feet. He's almost done with the medication, but it hasn't helped the issue. Please keep praying for him, as he continues to wait. Thank you for your prayers.

SHIRLEY TICE is having kidney problems. She is on medication and was instructed to drink a lot of water in the hopes that it will help. Shirley is thankful for our prayers for her.

ANDREW WRIGHT (Sarah Boerema's brother) had his second surgery for bladder cancer. The diagnosis is that he is in stage 4 and will have to have some chemo.
