Dear Missions Team and FBC Fremont,
Thank you so much for your love and support over the years. It was a joy to be with you and share all that God is doing through our partnership. Also, thank you for the gift given to bless our family in practical ways as the missions "closet" used to endeavor. We are richly blessed and love you all!
Thanks, Tim, Andrea and Levi Blazer

BRANDON (Greg Churchley's friend and student) took his own life last Tuesday. Please be in prayer for his children, family, and friends. It is not known for certain if he was a believer. This has opened the door for Greg to share the gospel with two of his fellow coaches, Grady and Sam. Grady was/is fairly hostile to the gospel. Please pray that the Lord softens his heart. Sam grew up as a Jehovah's Witness. He is more receptive, but very misinformed. Please pray that he would come to understand and accept the true gospel.

DANIEL CRABB is home now, and we praise the Lord for this! He is on a full liquid diet only between now and his surgery. Daniel has a consultation with his surgeon on November 19; surgery will probably be scheduled at that time.

GIDEON (Sharon Griswold's son) had another seizure last Friday and went to ER.

PAUL GRASLEY's hip replacement went well, and he is recovering at home. The Grasleys are thankful for the prayer of their church family.

TIM HENRY had an appointment with a medical team last week to discuss Tim's cancer. In addition to the spots they have identified, there is evidence of cancer in his blood and lymph nodes. Immunotherapy has been ruled out as a potential treatment option. Tim will begin hormone therapy treatment to manage the cancer for an undetermined amount of time. Continued prayer for both Tim and Maetta will be appreciated.

The **NATION OF ISRAEL** still has a unique place in the plan of God, and we are exhorted to pray for the peace of Jerusalem.

ETHAN PRICE (Angie Frye's newborn nephew) was discharged from the hospital last Tuesday. Praise the Lord! Thank you for praying for this little guy.

DASIL REYNOLDS does not need surgery for her ankle and no longer needs a boot.

EZRA SHAW will have two small surgeries on November 19 to place G-tube in his stomach and remove his Broviac. Ezra has not been interested in taking anything by mouth since this whole process began. This should just be an overnight stay.

ANDREW WRIGHT (Sarah Boerema's brother) had surgery last Tuesday for bladder cancer, which went well. They believe all the cancer was removed but are awaiting the final report. Thank you so much for praying!
